On arrival at the airport

You will be met by a Leap representative holding 'The Leap' sign. In the unlikely event that they are not there - stay together in the airport and call the emergency numbers above. If you have no reception go to one of the help desks and ask to make a call.

In the event that your flight is delayed and you miss a connection, don't panic! Please go to the airline desk. The airline is responsible for you whilst you're in transit and will book you onto the next available flight and provide overnight accommodation if necessary.
